BANNERS

X-BANNERS

Sporting a unique and funky design, our attention-grabbing X-Banners are the most cost-effective mobile display solution for any brand. Their compact and lightweight design makes them extremely easy-to-assemble and dismantle.

The skins are available in Layflat Display PVC or Polyester Gazebo Display Fabric, which easily attach to the frame and store very well - making this range ideal for interchangeable artwork.

PULL UP BANNERS

Advertising your brand, products or services has never been easier! This range is compact, lightweight and durable, allowing setup within minutes. When all is said and done, the artwork simply retracts into the protective base and fits into a convenient carry bag.

Our Pull Up Banners are available in the following ranges:

CHAMPION RANGE

An entry level option, offering great value without compromising on quality.

LEGEND RANGE

Our middle of the range offering, with a slim design and chromed end caps for an upmarket and refined finish.

OVATION RANGE

Defined by premium quality construction and durability, at an extremely competitive price point.

FADE RESISTANT A-FRAME BANNERS

Our Fade Resistant Displays are printed with state-of-the-art Latex Gen-4 inks, boasting the widest colour gamut on the market.

This allows us to print the widest range of colours within the colour spectrum and produce the most vibrant and vivid print results.

The inks have a low environmental impact, are UV stable and scratch resistant, providing great durability for long-term outdoor exposure.

Premium polyester fabric with a unique print-guard coating is used for all of our Fade Resistant A-Frame Banners

OPTIONAL EXTRAS FOR THE DOUBLE-SIDED TELESCOPIC FLYING BANNERS

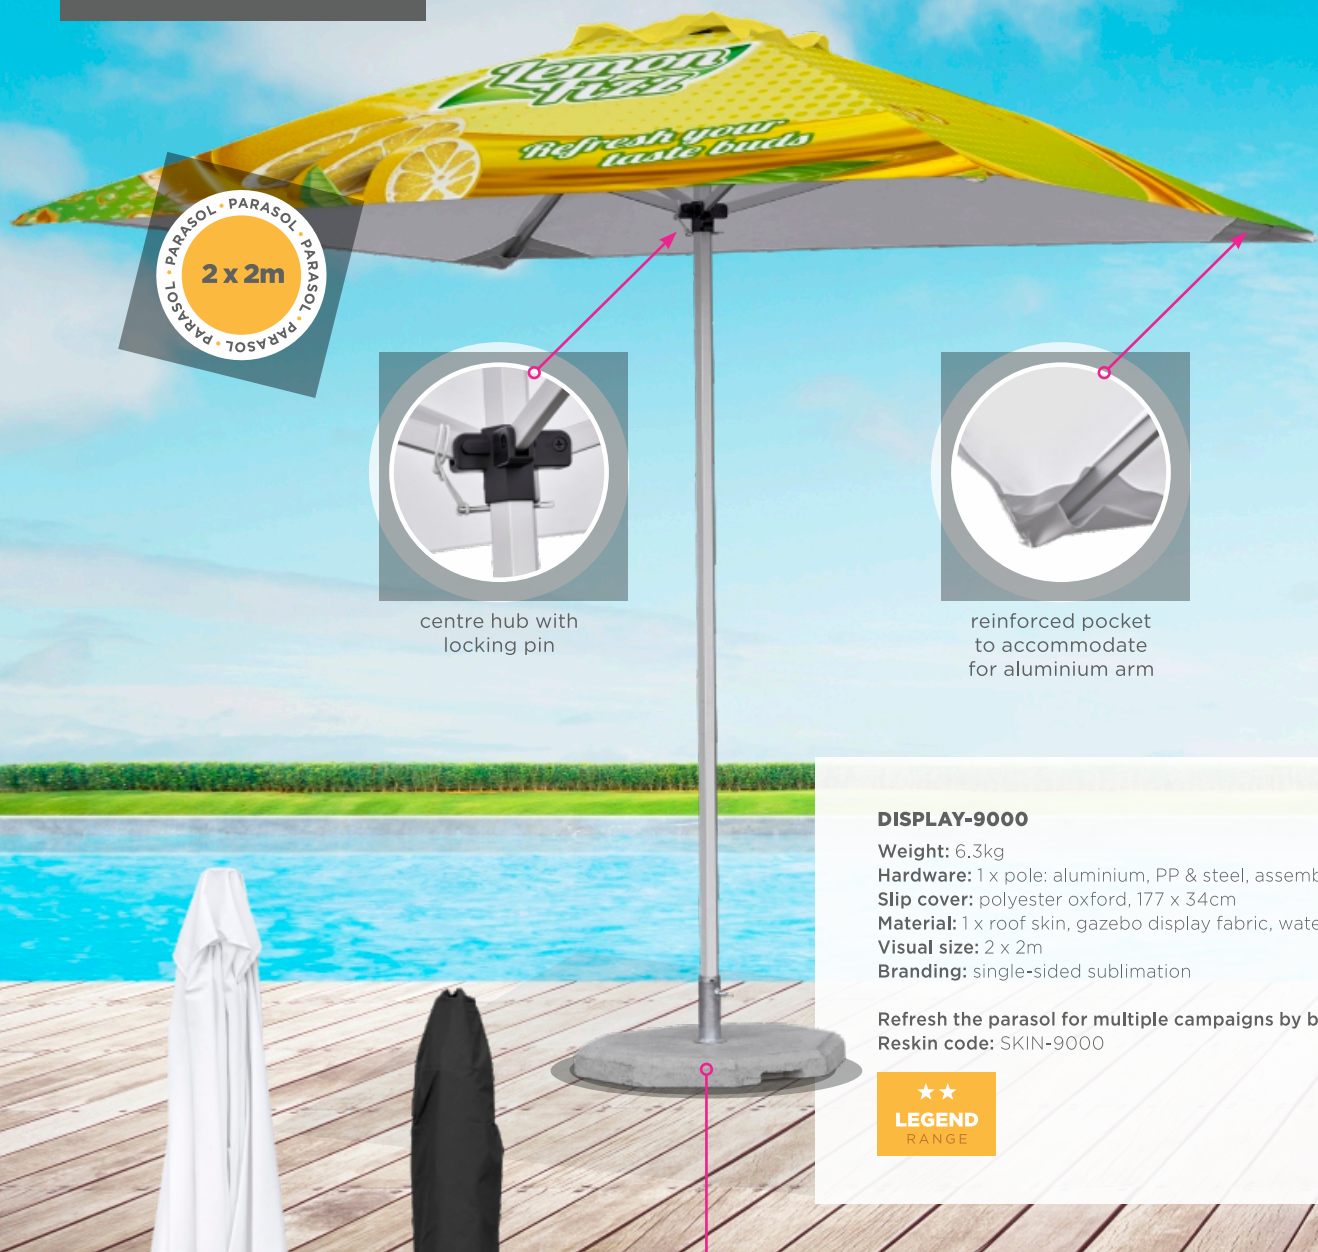

A large blue parasol is the central focus, featuring a circular logo with a crown and the words 'BEER LIGHT' in gold and white. The parasol is set against a vibrant background of palm trees and a clear blue sky. A white, semi-transparent banner is overlaid on the left side of the image, containing text. In the top right corner, there is a yellow triangular graphic with two white stars.

SUBLIMATED PARASOLES

Create an inviting environment and overshadow your competition with our range of Parasols.

Ideal for restaurants, hotel courtyards, retail outlets and outdoor seating areas.

FADE RESISTANT PARASOLES

Our Fade Resistant Displays are printed with state-of-the-art Latex Gen-4 inks, boasting the widest colour gamut on the market.

This allows us to print the widest range of colours within the colour spectrum and produce the most vibrant and vivid print results.

The inks have a low environmental impact, are UV stable and scratch resistant, providing great durability for long-term outdoor exposure.

Premium polyester fabric with a unique print-guard coating is used for all of our Fade Resistant Parasoles.

SUBLIMATED GAZEBOS

Gazebos are suitable for brand activations, product launches, markets, sporting events, marathons, schools, festivals, golf days and so much more.

All of our Gazebos fall within the Ovation family - defined by premium quality construction and durability, at an extremely competitive price point.

Available in a range of popular sizes our standard Gazebos include the following components:

- 1 x durable and lightweight aluminium frame
- 1 x water-resistant polyester roof
- 1 x polyester carry bag for portability and convenient storage.

CUSTOMISE YOUR GAZEBO

Half and Full Wall Skins are available for all of the Gazebos in this range - allowing you to customise and configure your Gazebo to suit your requirements and maximise your brand exposure. The wall skins easily attach to the structure, making this display solution ideal for interchangeable artwork - offering a great ROI for your business.

The wall skins are branded on one side only, using our state-of-the-art sublimation branding process to produce vibrant results.

FADE RESISTANT GAZEBOS

Our Fade Resistant Displays are printed with state-of-the-art Latex Gen-4 inks, boasting the widest colour gamut on the market.

This allows us to print the widest range of colours within the colour spectrum and produce the most vibrant and vivid print results.

The inks have a low environmental impact, are UV stable and scratch resistant, providing great durability for long-term outdoor exposure.

Premium polyester fabric with a unique print-guard coating is used for all of our Fade Resistant Gazebos.
